

# Whisper Mountain Camp | Building the Vision as We Proclaim Christ to teens and adults

## OPPORTUNITIES TO MAKE A DIFFERENCE

Together we are able to reach more teens + adults for Christ. Whisper Mountain Camp + Retreat is a non-profit and non-denominational organization meaning we are supported through gifts, volunteers, and friends like you. If you have an interest in TEAMING UP with us this will show you some ways to do that.

**All Full-time Staff at Whisper Mountain are Missionaries**, including our Director. They have chosen to live simply and to raise mission support to cover their salaries. The sponsors provide each staff member a team of people who prays and encourages him or her as they serve.

Our staff missionary model has allowed Whisper Mountain to focus our funds and resources toward growing this new ministry, keep our prices affordable, which allows us to evangelize and to teach more teens as *"we proclaim Him, admonishing and teaching everyone with all wisdom, so that we may present everyone fully perfect in Christ."* Colossians 1:28

As you look over the many opportunities to help, please prayerfully consider how you may be able to team up with us by sharing your time, talents, or resources in making a difference for others!

## OPPORTUNITIES TO JOIN A TEAM

We know it's impossible for everyone to physically come Volunteer or Serve with us...but there are other important ways to be part of what God is doing at Whisper Mountain Camp.

### PRAYER WARRIORS- Empowering kingdom growth!

We invite you to join our prayer force entering the throne room on behalf of the teens, their leaders, our staff and the ministry overall. We honestly couldn't do this without the faithfulness of our prayer warriors lifting this ministry up in this way.

### ADOPT A SUMMER STAFF - Are You an Encourager?

Our summer staff is a unique group of college age students that work alongside of us - not for great pay - but because of their passion of wanting to make a difference in the lives of others! It's hard work and during the summer they need encouragement.

We are seeking individuals & small groups willing to take on the fun job of **"adopting" a staff in the summer months**. For 10 weeks, it will take you some weekly effort to communicate with them by way of cards, special care packages, and encouraging texts.

### TEAM TEN - Give a little and Impact many lives for eternity!

It's amazing what can be done when many team-up and give just a little! Your commitment to give \$10 or more each month can have a big impact to help grow and expand the vision of the ministry!

### CAMPER SCHOLARSHIP - Give the opportunity for Life Change!

There are always those teens caught in life circumstances where they are not given the opportunity of attending camp due to lack of finances. All donations given to our SCHOLARSHIP FUND are made available to assist those teens in need by providing them partial or full \$385 camper scholarships. Consider a gift to help a teen to have the experience of camp + of hearing about a God that loves them.

### SUPPORT FULLTIME STAFF - Monthly or One-Time Donations

God is faithful and provides our needs. If you would like to join the adventure of stepping out in faith along with us, we invite you to sign up to be a monthly sponsor of one or more of our full-time staff. Go to our website to **"Meet The Staff"** for more information.

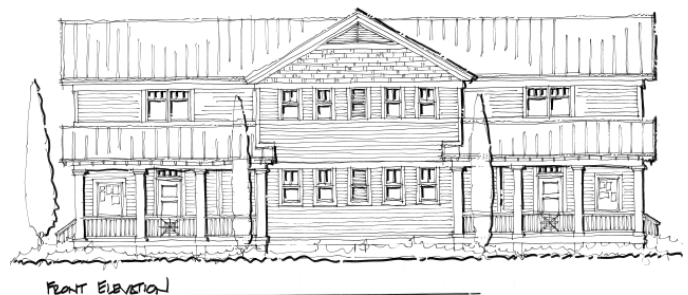

## OPPORTUNITIES TO EXPAND

The past 13 years God's Vision for this ministry has been taking place for Whisper Mountain. As the growth continues, we've begun to experience "growing pains" of facilities and full-time staff needs. The need is evident that growth is necessary to make this ministry self-sustaining...but growth means we need more beds, more usable space for groups and more full-time staff! God's People and His Provisions are required.

### Camper Lodging

- ✓ CAMPER LODGE provides more sleeping space, bathrooms and Group Meeting Space
- ✓ Phase I is underway of this new project!
- ✓ Keep update on its progress on our website.

WHISPER MOUNTAIN MINISTRIES

### Expansion for the Future

- ✓ STAFF & VOLUNTEER HOUSING – the need is great but the current space is limited.
- ✓ WORSHIP BUILDING with offices, camp store and coffee shop with a lower level of added beds.
- ✓ OFFICE CONVERSION where our existing office will be remodeled into a new Full Time Staff House for God's future additional fulltime missionary!

## CONCRETE YARD SALE OPPORTUNITY

Our ongoing concrete projects help prevent mountain erosion add concrete sidewalks, slabs, roadways and RV spaces for volunteers who bring their own housing. Consider being a part of the **\$135 Concrete Yard Sale** as materials are \$135 per yard, plus **VOLUNTEERS** labor to form up and flatwork concrete.

The next concrete project is to expand our overcrowded dining room by adding a concrete slab to the existing covered porch at the HUB. We will then be able to add tables and chairs to accommodate a comfortable outdoor dining area.

## OPPORTUNITIES TO VOLUNTEER

### KITCHEN VOLUNTEERS

This past summer we served over 8,000 meals to guests. Kitchen Volunteers are an important part of WM! Our Kitchen Volunteers come for one-week intervals in the summer to help. Tasks include meal prep, lots of dish washing, serving meals and cleaning up for 12-15 meals per week for up to 75 people. We are looking for couples or individuals that can arrive on a Sunday evening and depart Saturday morning of the designated week they have scheduled. Its hard work but feeding hungry campers that are learning about God's love is so rewarding.

Summer 2020 we have 10 weeks of Kitchen Volunteers beginning Sunday, May 31 and ending Friday, August 7. If you are interested in Volunteering please complete a [Volunteer Application](#) found on our website as a great place to start the process.
